Buildtec Services Ltd

Office Showcase - 2019

Building

We welcome all projects, large and small and specialise in creating an environment that's considerate to staff, customers, students, residents and neighbours.

Maintenance

We offer a complete, all-trade maintenance service with a same-day response – giving you peace of mind.

Refurbishment

We deliver high quality solutions for companies moving office or needing to update the current workplace.

Society

Camden

"Having worked with Buildtec Services for many years I have an excellent working relationship with their management. I will be using Buildtec Services for future projects and would highly recommend them."

London Diocese

"I have no hesitation in recommending Buildtec Services Ltd as a reliable and trustworthy contractor and will be using them for future works at the school. Excellent in his project management."
